Write out a Major Scale, including *one more note* (as note 9).

1 2 3 4 5 6 7 8 9

Draw the appropriate clef and key signature. Write in the time signature of 4/4. (Remember that your rhythm must match the time signature!)

Using the following note values: **Half**, **Quarter**, and **Eighth Notes**, create a musical composition from the given notes above, using PI as the note pattern. Depending on your note values, your composition may include MORE numbers or less.

3.141592653589793238462643383279502884197169399375105820974944592307816406286...

Don't forget to add a double bar line to the end of your composition!
